

# PARTICIPANT A

Participant A joined the BBO scheme in August 2017. He was a member of our Disability Football team and he decided he wanted to volunteer as a coach and for this he would need his Level 1 FA coaching badge. We began meeting on a weekly basis where we covered what the coaching course would entail, but also the values of the SET itself. We explored what it was to be an inclusive coach and one that has patience and understanding.

By early 2018 we had enrolled Participant A onto the Level 1 coaching course at Beds FA. He attended all 10 sessions and passed in the summer of 2018. The course took place in Dunstable and due to limited bus routes from Milton Keynes to Dunstable we drove Participant A to each session.

Participant A was extremely driven and dedicated and we knew he would make a success of it. He is now helping out on our tournament days and is a great asset to our team.
