

# PARTICIPANT C

Participant C joined as he had lots going on in his life and needed some guidance on securing a job. Initially he appeared very nervous and lacked confidence, so we knew we could work on this. Over the course of a year, we were able to find employment which he was interested in and worked very hard on building his confidence.

One job role we discussed was a stewarding job at Stadium MK, however he did not feel comfortable as he knew a lot of people who attended matches. We worked with him to overcome this fear and he decided to apply for the role. He secured employment at Stadium MK in 2018 and passed his probation period and stewarding tests (something he said he would never be able to to!)
